WARRANTY

C.C. Publications' disks are warranted to be free of defects and faulty workmanship under normal use and service during the 90-day warranty period. If these disks fail to operate properly during the 90-day warranty period, C.C. Publications will replace this product at no additional charge. This warranty does not cover damages resulting from accident, disaster, misuse, or abuse.

Ninety-day warranty service may be obtained by mailing the defective disks with the Replacement Card to C.C. Publications, Inc., P.O. Box 23699, Tigard, OR, 97223. You agree to insure the disks or assume the risk of loss or damage in transit and to prepay shipping charges.

BACK-UP DISKS

C.C. Publications, Inc. provides one back-up disk for each copy-protected software disk included in a program. To receive a back-up disk, send \$19 per disk and the Back-up Card within 90 days of receipt to C.C. Publications, Inc., P.O. Box 23699, Tigard, OR, 97223.

NOTE: C.C. PUBLICATIONS MUST RECEIVE YOUR PROOF OF PURCHASE CARD WITHIN 30 DAYS FROM THE DATE YOU RECEIVED THE PROGRAM IN ORDER TO SHIP EITHER A REPLACEMENT OR A BACK-UP DISK.

Please take a moment to answer the following questions.

1. For what purposes do you most frequently use a computer?  
(Check two.)

|                                  |                         |
|----------------------------------|-------------------------|
| ___ assessment                   | ___ computer mastery    |
| ___ administration               | ___ basic skills        |
| ___ test generation              | ___ concept development |
| ___ other (please specify _____) |                         |

2. What skill level do you work with?

|                |               |
|----------------|---------------|
| ___ preschool  | ___ secondary |
| ___ elementary | ___ adult     |

3. Your professional specialty is:

|                       |                               |
|-----------------------|-------------------------------|
| ___ general education | ___ speech/language pathology |
| ___ special education | ___ other _____               |

**For extended media life—  
here's how to take care of your flexible disk**

Precision surface.  
No fingers, please!

For your disk's sake  
(and the system's too)  
insert disk carefully.

Magnetic fields erase.  
Keep them far away.

Keep it safe—  
in the envelope  
when not in use.

Bending and folding  
may damage.  
Handle with care.

Keep disks comfortable.  
Store at: 10° to 50° C.  
50° to 125° F.

1. Read the directions.
2. Read the clues.
3. Study the Puzzle.
4. Enter an answer into the correct square of the Puzzle.
5. Check the answer.

Students switch between the clues screen and the Puzzle screen until all the Puzzle squares are filled correctly. A friendly professor named Ned provides successful completion and also provides help when necessary. As you work, students may refer to a glossary of selected scientific terms.

### Important Features

1. The *Puzzlers* program requires students to use deductive logic to solve each puzzle.
2. Each disk in the *Puzzlers* series is based on a specific scientific theme.
